

COOKIE POLICY

INFORMATION ABOUT COOKIES

In accordance with Law 34/2002, of July 11, on Information Society Services and Electronic Commerce (LSSI), in relation to Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, General Data Protection Regulation (GDPR), and Organic Law 3/2018, of December 5, on Data Protection and Guarantee of Digital Rights (LOPDGDD), it is mandatory to obtain the express consent of the user on all websites that use non-essential cookies before the user browses them.

WHAT ARE COOKIES?

Cookies and other similar technologies, such as local shared objects, flash cookies, or pixels, are tools used by Web servers to store and retrieve information about their visitors, as well as to ensure the correct functioning of the site.

Through the use of these devices, the Web server is allowed to remember some data concerning the user, such as their preferences for viewing the pages of that server, name and password, products they are most interested in, etc.

COOKIES AFFECTED BY THE REGULATIONS AND EXEMPTED COOKIES

According to EU directives, the cookies that require the user's informed consent are analytical cookies and advertising and affiliation cookies, while technical cookies and those necessary for the operation of the website or the provision of services expressly requested by the user are exempted.

TYPES OF COOKIES

ACCORDING TO PURPOSE

- **Technical and functional cookies:** These are cookies that allow the user to browse a website, platform, or application and use the different options or services that exist within it.
- **Analytical cookies:** These are cookies that allow the person responsible for them to track and analyze the behavior of users on the websites to which they are linked. The information collected through this type of cookies is used to measure the activity of the websites, application, or platform and to build user browsing profiles for said sites, applications, and platforms, in order to introduce improvements based on the analysis of the usage data generated by users of the service.
- **Advertising cookies:** These are cookies that allow the management, in the most efficient way possible, of the advertising spaces that, where applicable, the publisher has included on a website, application, or platform from which it provides the

requested service, based on criteria such as the edited content or the frequency with which the advertisements are displayed.

- **Behavioral advertising cookies:** These collect information on the user's personal preferences and choices (retargeting) to allow the management, in the most efficient way possible, of the advertising spaces that, where applicable, the publisher has included on a website, application, or platform from which the requested service is provided.
- **Social cookies:** These are set by social media platforms on the services to allow you to share content with your friends and networks. Social media platforms have the ability to track your online activity outside of the Services. This may affect the content and messages you see on other services you visit.
- **Affiliate cookies:** These allow the tracking of visits coming from other websites with which the website has established an affiliation contract (affiliation companies).
- **Security cookies:** These store encrypted information to prevent the data saved within them from being vulnerable to malicious attacks by third parties.

ACCORDING TO OWNERSHIP

- **First-party cookies:** These are cookies sent to the user's terminal equipment from a computer or domain managed by the publisher itself and from which the service requested by the user is provided.
- **Third-party cookies:** These are cookies sent to the user's terminal equipment from a computer or domain that is not managed by the publisher, but by another entity that processes the data obtained through the cookies.

ACCORDING TO THE RETENTION PERIOD

- **Session cookies:** These are a type of cookies designed to collect and store data while the user accesses a webpage.
- **Persistent cookies:** These are a type of cookies in which the data remains stored on the terminal and can be accessed and processed for a period defined by the person responsible for the cookie, which can range from a few minutes to several years.

PROCESSING OF PERSONAL DATA

CUVELSUR S.L.P. is the Data Controller for the personal data of the Data Subject and informs you that this data will be processed in accordance with the provisions of Regulation (EU) 2016/679, of April 27, 2016 (GDPR). Therefore, the following processing information is provided:

- **Purposes of the processing:** As specified in the section on cookies used on this website.
- **Lawful basis for processing:** Except in cases where it is necessary for browsing the web, based on the consent of the data subject (Art. 6.1.a GDPR).
- **Data retention criteria:** As specified in the section on cookies used on the web.
- **Communication of data:** Data will not be communicated to third parties, except in the case of third-party cookies or due to legal obligation.
- **Rights of the Data Subject:**
 - Right to withdraw consent at any time.
 - Right of access, rectification, portability, and erasure of their data, and the limitation or objection to its processing.
 - Right to lodge a complaint with the Supervisory Authority (www.aepd.es) if they consider that the processing does not comply with current regulations.
- **Contact details to exercise your rights:** **CUVELSUR S.L.P.** AVDA. RICARDO SORIANO, 1. 2-A, - 29601 MARBELLA (Málaga). Email: info@cuveladicciones.es

COOKIE CONFIGURATION PANEL

From this panel, you can configure the cookies that the website can install in your browser, except for technical or functional cookies that are necessary for browsing and utilizing the different options or services offered.

HOW TO MANAGE COOKIES FROM THE BROWSER

Delete cookies from the device	Cookies already on a device can be deleted by clearing the browser history, which removes cookies from all visited websites. However, some saved information may also be lost (e.g., login details or website preferences).
Manage site-specific cookies	For more precise control over site-specific cookies, users can adjust their privacy and cookie settings in the browser.
Block cookies	Although most modern browsers can be configured to prevent cookies from being installed on devices, this may require manual adjustment of certain preferences each time a site or page is visited. Additionally, some services and features may not function correctly (e.g., profile log-ins).
